

EFÜHRUNGSPLANUNG WP 2

<p>genieure GmbH straße 17</p>	<p>±0,00 = 131,25 NHN</p>	
	<p>PROJEKTLAGER</p>	

The diagram illustrates a rectangular room layout with various sections labeled:

- HAUS**: A grey rectangular area representing the building footprint.
- RIEGEL 1**: A purple rectangular section at the top left.
- BA1**: A purple rectangular section in the center-left.
- HAUS**: A grey rectangular section at the bottom left.
- RIEGEL 2**: A purple rectangular section at the bottom right.
- BA4**: A grey rectangular section in the center-right.
- BA5**: A grey rectangular section at the top right.

Red dashed lines indicate the boundaries of the rooms and the central corridor.

The site plan illustrates the layout of buildings and rooms. Key elements include:

- i-LIVE**: A grey rectangular area representing a residential unit.
- F**: A purple rectangular room located above the i-LIVE unit.
- HAUS A**: A purple rectangular room located to the right of the i-LIVE unit.
- HAUS B**: A purple rectangular room located further to the right.
- BA2**: A large grey rectangular area representing a building section.
- BA6**: A grey rectangular area representing another building section.
- BA8**: A grey rectangular area representing another building section.
- BESTAND**: A grey rectangular area representing an existing building section.
- HAUS E**: A purple rectangular room located below the HAUS A room.
- HAUS D**: A purple rectangular room located below the HAUS B room.
- BA7**: A grey rectangular area representing a building section.
- BA9**: A grey rectangular area representing a building section.

The diagram shows an architectural floor plan with several rooms labeled:

- Top left: A grey rectangular room labeled "KOLB".
- Top center: A purple rectangular room labeled "BA3".
- Top right: A grey rectangular room labeled "BAX".
- Middle right: A purple rectangular room labeled "HAUS C".
- Top right corner: A grey rectangular room labeled "BA9".
- Bottom right corner: A grey rectangular room labeled "BAX".

Dimensions shown in red dashed lines:

- Horizontal distance between KOLB and BA3: 10m
- Vertical distance between BA3 and HAUS C: 10m
- Horizontal distance between HAUS C and BAX: 10m
- Vertical distance between BAX and BA9: 10m

Other labels include "E" at the top center, "D" at the top right, and "II" at the top right.
